**PASSIVE PLUS, INC. NOW OFFERS
AIR TUBULAR TRIMMERS**

Huntington, New York – September 2019

Passive Plus, Inc. (PPI) is now offering Air Tubular Trimmer Capacitors. These Air Tubular Trimmer Capacitors set new standards with extreme adjustment accuracy, mechanical precision with the highest Q-factor.

Available in eleven standard capacitor styles and hundreds of variations. PPI will work with a customer to develop a custom Air Tubular Trimmer Capacitor according to the engineer's specific requirements. All products are RoHS compliant and also available in Non-Magnetic Terminations. Typical delivery is 2 to 6-weeks.

Used mainly in the telecommunication, state-of-the-art base stations, radio transmitters and receivers, oscillators and filters e.g. for directional radio, base stations for mobile phone, navigation system, high frequency applications and microwave applications. A further field of application is medical technology, specifically NMR and spectroscopy.

Always committed to producing the highest quality product on the market, PPI maintains a fully-equipped R&D and testing facility for the development of new products, ensuring a wide range of superior HI-Q Trimmer Capacitors.

PPI is a manufacturer of high-performance RF/Microwave passive components for the Medical, Semiconductor, Military, Broadcast, and Telecommunications Industries.

PPI specializes in High-Q, Low ESR/ESL Capacitors, Broadband Capacitors, Single Layer Capacitors, Non-Magnetic Resistors (High Power and Thin Film) and Trimmer Capacitors.

PPI is ISO9001:2015 certified.

Passive Plus, Inc. (PPI) is known for our outstanding Customer Service, high quality products, competitive pricing, and quick delivery times. While other companies are pushing out their lead-times for product delivery, PPI is committed to being able to deliver product as quickly as possible. As PPI tries to keep a full inventory in stock, depending on the capacitor and quantities needed, **delivery times can be stock to 2-4 weeks.**

Contact Passive Plus directly at (631) 425-0938 or sales@passiveplus.com for quotes, pricing, orders, custom requests or specific engineering questions.
