PASSIVE PLUS, INC., OFFERS HI-Q HIGH POWER CAPACITORS WITH QUICK DELIVERY, STOCK - 8 WEEKS

Huntington, New York – October 2020

Passive Plus, Inc. (PPI) is known for their outstanding Customer Service, high quality product line, competitive pricing, and quick delivery times. While other companies are pushing out their lead-times for product delivery, PPI is committed to being able to deliver your needs as quickly as possible. As PPI tries to keep a full inventory in stock, depending on the capacitor and quantities needed, delivery times can be **stock to 8 weeks**.

PPI offers a line of Hi-Q Capacitors available in 5 larger case sizes:

2225C/P series:

Size: .220" x .250"
Value Range: 0.5pF – 2700pF
WVDC: 2500V

Extended WVDC: 3600V

TCC: C: 0 ± 30 PPM/°C (-55°C to **200°C**)
P: $+90 \pm 20$ PPM/°C (-55°C to **200°C**)

3838C/P series:

Size: .380" x .380"
Value Range: 0.5pF – 5100pF
WVDC: 3600V

Extended WVDC: 7200V

TCC: C: 0 ± 30 PPM/°C (-55°C to **200°C**)
P: $+90 \pm 20$ PPM/°C (-55°C to **200°C**)

6040C series:

Size: .600" x .400"
Value Range: 1pF - 6800pF
WVDC: 5000V

Extended WVDC: 8000V

TCC: 0 ± 30 PPM/°C (-55°C to **175°C**)

7676C series:

Size: .760" x .760"
Value Range: 1pF - 20000pF
WVDC: 5000V

Extended WVDC: 8000V

TCC: 0 ± 30 PPM/°C (-55°C to **175°C**)

1313C series:

Size: 1.30" x 1.30"
Value Range: 200pF - .12μF
WVDC: **10000V**

TCC: 0 ± 30 PPM/°C (-55°C to **175°C**)

Available in 100% RoHS Tin or Tin/Lead terminations (90% Sn 10% Pb solder, SnPb 90/10)

For case sizes available in microstrip, axial and radial ribbon, axial and radial wire leads, and custom assemblies, please contact PPI directly.

PPI is a manufacturer of high-performance RF/Microwave passive components specializing in High-Q, Low ESR/ESL Capacitors, Broadband Capacitors, Single Layer Capacitors, Non-Magnetic Resistors (High Power and Thin Film) and Trimmer Capacitors for the Medical, Semiconductor, Military, Broadcast, and Telecommunications Industries.

PPI is ISO9001:2015 certified.

Contact PPI directly at +1 (631) 425-0938 or sales@passiveplus.com for quotes, pricing, orders, custom requests or specific engineering questions.
